

Rob Coe

The reasons I am interested in serving on the BOD for the Wyoming Wildlife Federation (WWF) stem from the desire to defend our state’s lands and wildlife.

Largely, the place where I was so lucky to grow up (Park County, WY) is the biggest influence. Specifically, I was raised on a family run resort (Pahaska Tepee) two miles outside the East entrance of YNP, surrounded by the North Absorka Wilderness. I’ll be the first to admit I didn’t understand the true value/beauty of my home, although I now understand the respect it rightly deserves. Since that realization, I have learned of the threats towards WY lands and wildlife as well as the associated consequences. The last four years of my life have been spent working on oil and gas leases (production, not exploration) and have some experience which could be valuable to WWF and associated groups.

Thank you for your consideration.
