

Rich Wiederspahn

I am a lifetime member of the Wyoming Wildlife Federation. By this level of commitment, I believe that I have demonstrated some of the passion that I have for Wyoming Wildlife and open spaces. I am a lifelong fisherman and have a passion for the sport. I love to fish in our great state as well as around the world. While I do not hunt, I support the sport of hunting and believe that it should be encouraged, supported and developed. I am proud to display the Wyoming Wildlife Federation logo on my pickup and believe that the federation deserves a great deal of respect as it moves forward to preserve Wyoming's Wildlife for future generations.
